

ACCIDENT REPORTS

Crane Overturn-West

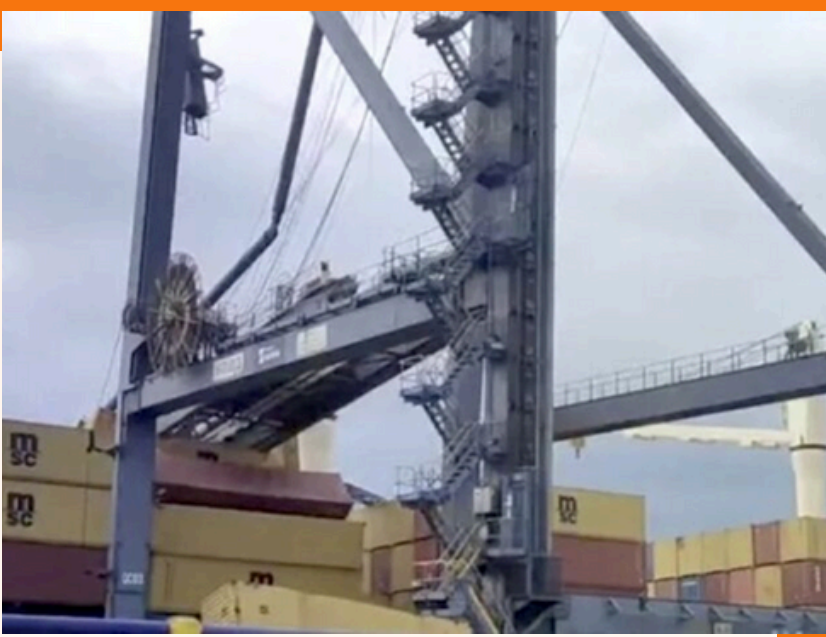

PA

while the three were apparently working on installing new air conditioning units at a height of around 15 to 16 metres when the telehandler - a 17 metre Pettibone 10056 - tipped over sideways, with the fully extended boom coming down onto a parked van.

One man, Tuan Vuong, 47, the eldest of the three, was totally unresponsive and died en route to the hospital. The other two were listed as in an extremely critical condition.

Crane Collapse - Yantian, China

A vintage feeder boxship belonging to Mediterranean Shipping Co (MSC) was involved in an accident yesterday that resulted in part of a giant ship-to-shore crane belonging to Yantian Port in southern China come crashing down on the vessel.

INDUSTRY RESOURCES

Meet The Software Engineer

A big shoutout to Fabienne Charlemagne, our brilliant software engineer who has been with Cranes101 since 2019! Fabienne took the vision of our owner from over seven years ago—to modernize tedious recordkeeping with technology—and turned it into reality. Thanks to her hard work and expertise, we now have an efficient, streamlined program that not only saves time but also ensures meticulous documentation for a safer workplace environment. Fabienne, you're a rockstar!

SHOWING OUR SUPPORT

As a cancer survivor, Our Chief Operations Officer; Heather Jacob, Will be doing the Boston Marathon Jimmy Fund Walk for the first time. [Click Here](#) to donate to Heather's walk & support Dana Farber Cancer Institute in its mission to defy cancer together
